The Library is accessible to all Monash Health staff, researchers and students. Please come in for a visit, we’d be very happy to see you.

**FIND.**
The library has online and print collections covering all medical disciplines, available online from our library website, which is accessible wherever you are.

**CONNECT.**
Physical collections, PCs and meeting spaces are available in each library.

**LEARN.**
We offer customised EBP training and specialist research services including advice for undertaking literature searches, systematic reviews, citation analysis, promotion of research and management of research data.
